

## Site-Specific Safety Plan Details

### Khowhemun Elementary School

#### 1. Occupancy limits for any shared or common work areas:

- < Staff Room (Rm 104) – 6
- < First Aid Room (Rm 101 B) – 2
- < Photocopy Room – (Rm 102) - 2
- < Kitchen (Rm 126) – 1
- < Student Support (Rm 140) – 4
- < Student Support (Rm 125) – 8
- <

- Where more than one class is entering/exiting the building, the divisions will enter/exit one at a time.
- Staff and students from different cohorts and all families are expected to maintain physical distance (2 m) at all time while on school grounds.

3. Indoor areas that lack capacity for distancing and that include interaction of staff with multiple cohorts:

- In areas of the building that lack capacity for distancing between staff and cohorts, barriers have been provided or the arrangement of the working spaces/furniture has been moved to create more space and to ensure 2 meters of distance is provided.

4. Separate supervised waiting area (indoor):

- The location of the separate supervised indoor waiting area is Room 135.

5. Separate supervised waiting area (outdoor):

- The location of the separate supervised outdoor waiting area is the table outside the front entrance.

6. Method for cleaning and disinfection of sports equipment and manipulatives:

- Outdoor sports equipment is sprayed with disinfectant each day at the end of lunch recess by a Noon Hour Supervisor.
- The Indoor sports equipment used during a PE class is sprayed with disinfectant at the end of each class.
- Classroom manipulatives are sprayed with disinfectant spray or taken out of rotation as the classroom staff sees fit.
- All students and staff practice hand-hygiene before use of equipment and manipulatives.
