

I can ...

stay focused in discussions,
and help to build and extend
understanding.

actively listen, make connections,
and ask questions.

convey information effectively
to suit my purpose and audience.

COMMUNICATING

I can...

work with others effectively to accomplish a common goal.

be an active listener and encourage contributions of others.

reflect on and adjust our plan as we work towards our collective success.

I can...

generate new ideas through explorations and interactions.

accept ambiguity, setbacks, failure, and persevere to advance the development of my ideas.

evaluate my ideas and determine which ones will have the greatest

I can...

question and investigate situations and ideas.

consider perspectives and implications.

analyze, evaluate, and synthesize ideas.

give, receive, and act on feedback.

I can...
